

Falcon Ridge Golfers,

2017 was a great year at Falcon Ridge and we thank you for playing golf with us. Some of the highlights of 2017 were a full Junior Golf League, the successful Herb Jangor Memorial Golf Tournament and hosting one of Minnesota's largest Glow Ball Tournaments.

We are eagerly awaiting the 2018 golf season and hope you are too. This year we are featuring golf equipment by Ping, Taylor Made and Callaway and stylish clothing by Adidas. The Ping G400 line of clubs make golf easier and can be custom fit at Falcon Ridge or this winter at Midwest Golf Dome. Take advantage of my 30 years of club fitting experience to get the clubs that are right for you.

New events for 2018 Include a Shootout on the Par 3 course and Friday Night Date Night, also on the Par 3 course. See you on the course at Falcon Ridge!

John Hamilton, PGA Professional

**Little Putters** Ages 8-10 (Par 3 Course)  
**Mighty Wedges** Ages 11-12 (Par 3 Course)  
**Big Drivers** Ages 13-17 (Front 9 Regulation Course)

## Superintendent News

Hello Golfers,

SKUNKS! This is the answer to all your questions, skunks! They are what is doing the damage to the turf by peeling the grass up to get to the grubs. We are working hard to find answers to this situation, with some success. On a positive note, we've been putting more attention to the greens by rolling them and mowing with a turf groomer. This is giving the ball a truer roll. I hope you are seeing this in your lower scores! Improving the playing conditions is always our plan.

As for next season, I hope to continue the work on upgrading and rebuilding some tee boxes. This has been a continuous project for us over the last few years. And as always, we continue to work on clearing the dead trees on the course. This is never ending but necessary and will improve playability and speed of play. Enjoy your winter. I look forward to seeing you all in the spring.

Jamie Kleven Head Superintendent, GCSAA

John Hamilton, PGA
